Our commitment is to confront and eliminate discrimination whether by reason of sex, sexual orientation, race, nationality, ethnic origin, colour, religion or disability.

Equality of opportunity at Kingstonian Football Club means that in all our activities we will not discriminate or in any way treat anyone less favourably, on grounds of sex, sexual orientation, race, nationality, ethnic origin, colour, religion or disability.

This includes:

- The advertisement for volunteers.
- The selection of candidates for volunteers.
- Courses.
- External coaching and education activities and awards.
- Football development activities.
- Selection for teams.
- Appointments to honorary positions.

Kingstonian Football Club will not tolerate sexual or racially based harassment or other discriminatory behaviour, whether physical or verbal and will work to ensure that such behaviour is met with appropriate action in whatever context it occurs.

Kingstonian Football Club is committed to the development of the programme of ongoing training and awareness raising events and activities in order to promote the eradication of discrimination within its own organisation and in the wider context, within football as a whole.

# EQUAL OPPORTUNITIES POLICY

## 1. General

Kingstonian Football Club is committed to a policy of equal treatment of all officials and volunteers and requires all officials and volunteers of whatever level or authority, to abide and adhere to this general principle and the requirements of the Codes of Practice issued by the Equal Opportunities Commission and Commission for Racial Equality. All members are expected to abide by the requirements of the Race Relations Act 1976, Sex Discrimination Act 1986 and Disability Discrimination Act 1995. Specifically, discrimination is prohibited in:

- Treating any individual on grounds of gender, colour, marital status, race, nationality or ethnic or national origin, religion, sexual orientated or disability less favourably than others.
- Expecting an individual solely on the grounds stated above to comply with requirement(s) for any reason whatsoever related to their volunteering, which are different to the requirements for others.
- Imposing on an individual's requirements which are in effect more onerous on that individual than they are on others. For example this would include applying a condition (which is not warranted by the requirements of the position) which makes it more difficult for members of a particular race or sex to comply than others not of that race or sex.
- Victimization of an individual.
- Harassment of an individual (which for the purposes of this policy and the actions and sanction applicable thereto is regarded as discrimination).
- Any other act or omission of an act, which has as its effect the disadvantaging of a official or volunteer against another, or others, purely on the above grounds. Thus, in all the Club's recruitment, selection, promotion and training processes, as well as disciplinary matters etc. – in other words all instances where those in control of officials or volunteers are required to make judgements between them – it is essential that merit, experience, skills and temperament are considered as objectively as possible.

Kingstonian Football Club commits itself to the immediate investigation of any claims of discrimination on the above grounds and where such is found to be the case, a requirement that the practice cease forthwith, restitution of damage or loss (if necessary) and to the investigation of any official or volunteer accused of discrimination.

Any official or volunteer found guilty of discrimination will be instructed to desist forthwith. Since discrimination in its many forms is against Kingstonian Football Club's policy, any official or volunteer offending will be dealt with under the disciplinary procedure.

Kingstonian Football Club commits itself to the disabled person whenever possible and will treat such members, in aspects of their recruitment and membership, in exactly the same manner as other members, the difficulties of their disablement permitting assistance will be given, wherever possible to ensure that disabled members are helped in gaining access. Appropriate training will be made to such members who request it.
