“BOOST THE BUDGET” INITIATIVE SEASON 2019-20

King George's Field,
Hook Rise South,
Tolworth,
Surrey KT6 7NA

What is the “Boost the Budget” initiative?

- The “Boost the Budget” initiative is a straightforward way in which supporters can make a difference by contributing towards First Team Manager Hayden Bird’s playing budget.
- Supporters can donate a fixed amount every month that will go directly towards the playing budget.
- No amount is too small and every contribution will make a difference.
- Contributions will be collected as follows:
There will be one cash or cheque contribution of the agreed weekly amount, then monthly contributions (four times the weekly amount) will be collected by standing order from 1st August 2019 each month until 1st April 2020.
- This will mirror the 37 weeks of the League Season.
- Alternatively you can pay for the whole season in one cheque or by weekly cash or cheque payments and these will be collected by Yioryos Vasilaras.
- The Club will use the money donated to boost the playing budget. It will not be used by the Club for any other project nor to settle any other expense.

Want to participate?

Please fill in the Application Form on the right hand page and the Standing Order Mandate Form overleaf (where necessary) and return them to Yioryos Vasilaras. If you have any questions please call Yioryos on 07742-305955 or email marketing@kingstonian.com
