Dear

I would like to take this opportunity to thank you for your interest in Kingstonian.

As you may be aware, our Commercial Department have recently launched a new and innovative Commercial and Marketing campaign. The campaign includes the brochure attached, which introduces a variety of fantastic opportunities for local companies.

This certainly is an exciting time for Kingstonian! In my first season here, to reach the 2nd Round of the FA Cup was a wonderful achievement. In beating National South Club Dartford in the 4th Qualifying Round, to travel to Macclesfield Town in the 1st Round Proper was an absolute dream come true! Beating a Football League Club 4-0 was a day we will never forget!

Having appeared on BBC Television for the Live Cup Draw, we were drawn at home against National League, AFC Fylde. Not only was a capacity crowd treated to another feast of football, the Club hosted presenter Dan Walker, with Football Focus being filmed live from Kingstonian!

The FA Cup wasn't the only national tournament the team progressed in. Our 3-1 victory against National League Club Woking was a day in which Kingstonian showed our true potential to restore our status as the biggest club in Surrey.

Having achieved so much last season, we are determined to compete for the ultimate target of promotion. For such a big club with such family values, this is not only realistic but would be a fantastic boost for the entire community. If, as a Club we are going to reach these targets, the support of our sponsors is absolutely essential. In fact, I would go as far to say that this season, it is more important than ever!

With this in mind, as the Manager of Kingstonian, I am asking you to support your local football club. The packages are not only very competitive but whether big or small, are essential to helping the Club become the heartbeat of the community.

Please support your local football club. In working together, Kingstonian and your business will become a vocal part of the community.

Yours sincerely,

Hayden Bird
